THE NEW YORK TIMES BESTSELLER In New York Times and USA Today bestselling author Kristen Proby's brand new series, five best friends open a hot new restaurant, but one of them gets much more than she bargained for when a sexy former rock star walks through the doors—and into her heart. Seduction is quickly becoming the hottest new restaurant in Portland, and Addison Wade is proud to claim 1/5 of the credit. She's determined to make it a success and can't think of a better way to bring in new customers than live music. But when former rock star Jake Keller swaggers through the doors to apply for the weekend gig, she knows she's in trouble. Addie instantly recognizes him—his posters were plastered all over her bedroom walls in high school—he's all bad boy...exactly her type and exactly what she doesn't need. Jake Keller walked away from the limelight five years ago and yearns to return to what's always driven him: the music. If he gets to work for a smart-mouthed, funny-as-hell bombshell, all the better. But talking Addie into giving him the job is far easier than persuading her that he wants more than a romp in her bed. Just when she begins to drop her walls, Jake's past finally catches up with him. Will Addie be torn apart once again or will Jake be able to convince her to drown out her doubts and listen to her heart?

Excerpt from Pennsylvania, Political, Governmental, Military and Civil: Military Volume The military history of Pennsylvania dates from the year 1747, although in the charter to William Penn, the Governor was given the authority to levy, muster, and train men, to make war upon and pursue the enemy, even beyond the limits of the Province. That the early authorities felt the necessity of armed forces is evidenced from the fact that in 1702, only twenty years after the granting of the charter, Lieutenant Governor Hamilton asked the Assembly to enact a bill for providing what may come against us by land or by sea nothing, however, was done under it in the way of organizing any military force for defense. Lieutenant Governor Evans, a few years later, urged a similar law, and sent to the Assembly a form of an act for establishing and regulating militia, but the idea was unpopular, and failed of passage. Several similar bills were also defeated, yet the Assembly occasionally appropriated funds for the King's use, for the purchase of bread, beef, pork, ?our, wheat, and 'other grain' for the maintenance of those who voluntarily offered to bear arms in the defense of the Province. Franklin says the other grain meant black grains, otherwise gunpowder, and While the Assembly would not sanc tion the purchase of munitions of war, no Governor was ever charged with appli cation of public moneys in making use of them for this purpose. So far as the Assembly was concerned there was no provision made for raising and maintaining an armed force, that provision being vested in the Governor by provision of the charter. Benjamin Franklin, in the year 1747, was largely instrumental in effecting a military association, which was entirely a voluntary organization, made up of about of the most in?uential men of the Province, and with this in?uence the total enrollment was in a short time increased to The following year the aggre gate membership in the Associated Companies, by which name the organization became known, was horse, foot, and artillery, each armed and equipped at personal expense, and the officers chosen from the members. Franklin was one of the original colonels, but being unable to serve, another was elected in his stead. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. At school, she finds a happiness and independence she's never known. Until one terrifying night takes it all away from her. With no place else to go, Leigh Anne heads home to reclaim her old life. A life she worked so hard to escape. On the outside, she seems like the same girl everyone has always known. But deep inside, she's hiding a terrible secret. That's when she meets Knox Warner, a troubled newcomer to Fairhope. His eyes have the same haunted look she sees every day in the mirror, and when she's near him, the rest of the world fades away. But being with Knox would mean disappointing everyone all over again. If she wants to save what's left of her old life, she has no choice but to say goodbye to him forever. Only, the trouble with goodbye is that sometimes it's about courage and sometimes it's about fear. And sometimes you're too broken to know the difference until it's too late. The Moment We Began (Book 2: Penny and Mason) The moment they both believe all hope is lost is the moment something real finally begins. I have loved Mason Trent for years, but I've only been sleeping with him for one. None of my friends know about our secret passion. He's in my bed one night and in the arms of someone else the next. And it's tearing me apart. I've done everything I can think of to make him mine, but the more I cling to him, the harder he pushes me away. I'm spiraling out of control, not sure how much more of this I can take. A girl can only bend so far until she breaks. And when I do, I break completely. I'm talking about one night of bad decisions, all leading to a my-world-will-never-be-the-same kind of moment. A moment where I need Mason more than ever. True to form, though, he's

running. But I intend to go with him this time. I'm willing to leave my money, my family, my friends behind for this one last chance to see if he could ever really love me the way I deserve to be loved. I'm willing to sacrifice forever if it means one real moment with him. A Season For Hope (Book 3: Bailey and Judd) Being dumped just before the holidays was my worst nightmare. I'd spent so many years thinking Preston Wright was the one for me that when he told me it was over, I thought I'd rather die than face the future. I never expected someone like Judd Kohler to come crashing into my life. Literally. He was coming out. I was going in. My face got in the way. You get the picture. It was an accident. Running into him twice in one day, though? It started to feel like fate. My mother always says Christmas is a magical time of year. A season for hope. All I know is that just when I thought I'd lost mine, hope somehow found its way back to me. Just in time for Christmas. This series is complete!!
